Sol Tuchfeld went to Little Rock to get his wife, Nancy, and they returned together Sunday. I believe that he had some car trouble in Memphis so don't know if she joined him in Memphis or Little Rock.

Student Rabbi Rothman resigned, followed by Mrs. Ruby Tamm, Superintendent of the Sabbath School and even Sabbath School ceased to go on for several weeks. What's the reason for all of this?

The Sisterhood Seder Supper was held Tuesday April 16 and I do believe that I can say that it was a success without asking anyone. As you all know, this is the first one that we have had in four years making it a very special occasion. The one we had in 1942 we had around two hundred soldiers from Camp Tyson on the first night but that wasn't all. We had our regular Community Seder the following Sunday. In the past four years, we have just had Service Men to attend Seder Supper in our own homes.

In my last Bulletin, I failed to mention that Irwin Freedman made his first trip to New York. While he was there, he took a moving picture of the Communist Party Parade. It looks like a regular News Reel. FLASH! Irv now has his PILOT'S LICENSE, so anyone who desires to float into the ozone, don't hesitate to see Irv!

This is the first opportunity that the Bulletin has had to congratulate Florence and Joe Cohen on their recent marriage. We are happy to know that they bought the Jim Phillips home on the Humboldt Highway.

Our own Rose Marie Schulman, who is out in Hollywood, Calif., is now writing for a Social Magazine which is published in Hollywood.

The Wahl family were in Memphis last Wednesday attending the Jackson Golden Bears basketball game. Jackson defeated that Mississippi team which has tht giant player, 7 ft. 7 in., in a big way.

The Alvin Rosenblooms bought a home on Division and Lambuth. The Joe Rosenblooms are just one block down so they won't have any trouble keeping each other company. They hope to be moved within the next month.

Joanne and Mickey Goldstein have been back about two weeks from their honeymoon in California and out west. They spent a couple of days on their return in Little Rock with Joanne's grandmother, Mrs. Thomas.

The sisterhood and all of us wish to thank Mrs. Wm. Chautin, Mrs. W.R. Levy, and Mrs. Wm. Rosenblum for the lovely benefit dinner they had Sunday, Nov. 7, in the Wm. Rosenblum home. This was held to raise the pledge we made and it was a real success. I understand that Sis Chautin did all of the cooking and it was wonderful.
